NEWSLETTER

February 17th 2017

Goodbye

Today we said a sad farewell to two of our staff members. Mrs Stones who has been with us for seven years is leaving us to spend more time with her family. We are extremely grateful for everything she has done for our children and school and we will miss her greatly. Mrs Slator is moving to the warmer climes of Cyprus. Although she has not been with us long she has established herself as a kind and caring member of our staff, and we will miss her. We wish them both every success for the future.

New Appointments

I am delighted to inform you that we have made two new appointments to the school. Mr Kevin Hutton has been appointed as our new advanced and higher level teaching assistant. Mr Hutton is a qualified teacher and has worked for the last 11 years in schools in Berkshire and North Yorkshire. He will deliver our interventions and will provide non-contact time for our classteachers. Mrs Claire Barratt has been appointed as our new general teaching assistant and she will provide support in classes on Wednesdays, Thursday mornings and Fridays. Mr Hutton and Mrs Barratt will begin at Aiskew, Leeming Bar after half-term.

River Swale Trip

Last week, we went to the River Swale. It was so cold we had to wear hats, scarves and gloves and run around! The best bit about the river trip was skimming stones from the shore, but we also gathered sticks to make a raft to see if we could float a potato.

Please look on our website as there is a fantastic set of photos from the trip (accompanied by music!).

Girls Football Competition

On Friday 27th January I took part in a girls' football competition with some girls from Burneston.

We drew with Masham and lost the other matches. It was very cold so before each match we were running up and down the field to keep warm. I saved an epic goal in our match against Bedale.

Learn, Play Grow Club

At learn, play grow club we do a warm up. We do some games like 'stuck in the mud'. The aim of the game is two people have to be the shark and the other little people have to be the fish. If the shark gets them you have to stand in a star shape and one person has to go underneath their legs to set them free. This is my favourite game.

Anna who runs it, is kind.
She plays good, fun games.

School Entrances

It has been disappointing to note recently that a few of our parents have begun parking on the zig-zags outside school.

Please can we remind you that this practice is against the law and extremely dangerous. We also have a few parents who are using the car park as an entrance to school. Again, this is a very unsafe way of entering the school. Please can we politely ask you to use one of our main entry points instead? Thank you!
