Visit from Mr Gatenby

Recently, our school council welcomed Mr Gatenby, the Managing Director of the Vale of Mowbray plant, into school. He visited us to find out about our fabulous new projector and screen, which his enterprise has so kindly funded for us. The school council took great pleasure in showing off our new equipment, and explaining how it has improved our school life, allowing us to improve our assemblies, use it for our lessons, and provide entertainment with our fun film nights (thank you FOALS)!

Dragons Outdoor Area

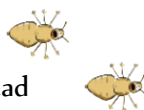

The children in Dragons have been exploring some of our new play equipment. They loved creating water systems with the drainpipes, buckets and containers investigating how to get the water travelling through the system. They were wonderful at solving problems, investigating leaks and working together. They talked through their problems with adults and each other and were challenged to find smaller, larger, thinner, wider containers to see what effect it had on the water flow. Well done Dragons, super learning and working together!

Please ensure your Dragon's have wooly hats, scarves, gloves and coats with them each day as they will be spending more time outside in their learning area.

HEAD LICE

We would be grateful if all parents would check their children's hair for head lice and treat accordingly. We have had a large number of cases in school recently and the only way to stop the cycle of reinfection is for EVERY child to be checked and treated. Please help us to combat this problem. Treatments and nit combs are available free with GP prescriptions. Leaflets containing further advice on head lice are available from the school office.

Remembrance Assembly

Thanks for all the money the children raised for the Poppy Appeal. During the assembly the children were silent for a minute acknowledging the sacrifice people have made to protecting British Society.

Dates for your Diary - Autumn Term 2017

November		
Monday 27th	3.30pm – 4.30pm	Multiskills after school club

Tuesday 9th	8.55am	Children back to school

Parents/Carers please note...

This will be the last newsletter we send out in paper form. It is our intention to email future ones to you unless you specifically request a paper copy. Next week I will send out the email address request letter again to the parents/carers I'm still waiting to hear from.
