Maths Morning

"What a lovely session, I wish I could do that every day!"

On Tuesday the school was open for our Maths drop ins, and it was super to see parents in our classrooms, finding out how the children tackle addition and subtraction in the different age groups. Our next drop in will be a spelling session in November; we are sure you will enjoy the experience and hopefully the children will enjoy working with their parents and carers on their spelling as much as they did with their maths this week.

Scruton Station Award

Last year, Eagles' class greatly enjoyed working with the heritage team at Scruton Station on their local history 'Railways' topic. So we were delighted to hear earlier this week that they have won the national British Museum Award for Museum Learning, and we were only too happy to help when we were invited to join them for a filming session for BBC Look North. 10 children from Eagles class went to the station on Thursday morning and took part in recreating their previous visit for the cameras. It was a thrilling experience and interesting to see how a report is put together. Perhaps it will inspire future reporters, cameramen or even actors and actresses!

Bears Class Topic

This half term we have been exploring what life would have been like in the Stone Age. We have found out about Stone Age art (they used animal blood to draw on the walls!). We have also learnt about Stone Age weapons, clothing and food. The children particularly enjoyed creating their own cave paintings. In our science lessons we have been learning all about rocks. Do you know how fossils are made? Do you know what the centre of the Earth is made out of? If not, ask a Bear and they will let you know.

Dear Parents and Carers,

If you know anyone who has a child due to start school in September and who would like to have a look around, please ask them to ring and make an appointment to visit the school. If you have a child due to start in September 2018 then please register your choice of school by 15th January 2018.

Harvest Family Lunch

A big thankyou to Mrs McIntosh and Mrs Jack for working so hard to produce our delicious harvest lunch, which was greatly enjoyed by all. The children were very excited about it, and it was lovely to see the school hall full of family! Mrs Jack is already planning the next Family Lunch, which will be next term.

Dates for your Diary - Autumn Term 2017

October		
Wednesday 18 th	TBC	Parent consultations (Ys 1,2,3,4,5 & 6) (NB date change)
