

### Cluster Sports

On Monday 17<sup>th</sup> July the Y3s and Eagles went to Cluster Sports. We did a lot of events. Georgina ran first in the Y3 girls race, then Edie ran the Y5 girls race and Raf ran the Year 3 boys race. It was fun running with children from other schools. **Luke**

### The ALBA

All the children in the school had the opportunity to put forward their suggestions for a name for the 'quiet area'. These were then put to a democratic vote, and this suggestion came out as the most popular. Our newly opened 'Aiskew Leeming Bar Art Area' – or ALBA for short – looks wonderful in the sunshine.

### The Railway Children

Eagles children worked incredibly hard to learn all their lines and choreograph their production in time for their performance of the Railway Children on Friday, 7<sup>th</sup> July. In the audience were members of the Wensleydale Railway Trust, who the Eagles have been working closely with during their history topic work on Railways, and they were very impressed with their confidence, timing and impressive acting skills. Well done to everyone in Eagles for your dedication and hard work in learning your lines and poems.

### Y5 Stem Day at Bedale High

We started off at the cooking area and we cooked Spanish food and had a taste of fish. Then we went to the DT room where we worked with micro USBs. After lunch we did maths and we had to see how high the sea levels were. Finally we went to science and we designed our own sea creatures.

**Aaron and Tom.**

### Rounders Tournament

A few weeks ago we went to a rounders tournament at Lambs Field. We were on Pitch D all afternoon. We played 4 matches altogether. We won one, lost one and drew two. **Tyler**

### Fundraising

Thank you to everyone who took part in the Readathon: £84 was raised to give books and stories to children in hospital. On Friday, 14<sup>th</sup> July children wore their football shirts in memory of Bradley Lowery, an inspirational six-year-old boy from Blackhall Colliery in County Durham who suffered from neuroblastoma. £40.90 was raised to help care for children with rare cancers, like Bradley.

### Leaver's Service

At the end of June, the Y6 children went to Ripon Cathedral for the Leaver's Service. We sang hymns and waved ribbons – my favourite hymn was '10,000 Reasons Why.'

**Mackenzie**

**We look forward to seeing the children back in school on Tuesday September 5<sup>th</sup>. Have a restful and enjoyable summer holiday!**
