Dear Parents,

PAIRED READING INFORMATION SESSION (WITH REFRESHMENTS!)

We know from your fabulous support of our Scholastic Book Fair, and from talking to you at parents' evenings and on the playground, that you really want to help your children to progress with their reading. We want all our children to love reading and become lifelong readers, and with this in mind, we would like to invite you to a short information session on a technique we use in school called Paired Reading. Research shows that paired reading can encourage children to read more independently and become more positive about reading in general. It can be used with children of all ages.

If you would like to find out more, or simply discuss different ways to read with your child, then please come along, enjoy a cuppa with friends for a friendly, informal session on Thursday, 9th March at 3pm. If you are interested but unable to attend at this time, please let us know and we'll organise another slot.
