Dear parent,

I am setting up a group of digital leaders within the school, who will be challenged to support and lead on technology for their teachers and peers from the Summer term through until the end of their time in Y6 in the school.

The digital leaders need to be committed to their role and able to attend fortnightly after school sessions where they will be trained in the technology we will be using in the classroom, so that they can assist other teachers, their peers in Eagles and the younger children in the school. These sessions will begin in the summer term.

Your child has expressed an interest and been chosen to take on this role, and I would like to take this small group of 5 children to a digital leader conference in Catterick on Wednesday, 1st March.

The conference begins at 9am and finishes at 4.30pm. Children will need to be in school and ready (in uniform) at 8.30am, with a packed lunch. They can be collected from school at 4.50pm – 5pm.

If your child requires a booster seat to travel in a car, this will need to be provided. I would be grateful if you could respond by Friday 17th February so that we can confirm our numbers with the venue.

Mrs Monaghan

I give my permission for _____ to attend the Digital Leader Conference in Catterick on Wednesday, 1st March.
