

Induction Questionnaire

1. Which of the following describes your child?

New starter in reception/New starter to our school

2. **Reception Parents only:** Did you receive enough information about the school and the induction process before your child joined, and did you find the induction meeting useful?

Yes/No

If no, what extra information would have been useful?

3. **Reception Parents only:** Were the pre-school sessions useful in helping your child to become familiar with the classroom and school? **Yes/No**

If no, how could we improve these sessions in the future?

4. Did your child settle into school quickly? **Yes/No**

If no, is there anything the school could have done to have helped your child to settle more quickly?

5. Did you feel the school was welcoming and helpful in trying to settle your child? **Yes/No**

6. Do you feel the school has presented you with enough information about how your child is progressing at school? **Yes/No**

If no, what other information would you have liked to have known?

7. Do you feel the school offers effective communication links with its parents? **Yes/No**

If no, how could the school improve its communication systems?

8. Do you have any further suggestions of how the school could improve the first term at school for new starters, and their parents? **Yes/No**

If yes, please add your thoughts or any further comments you would like to make.

Thank you for completing this questionnaire!
