19<sup>th</sup> September 2017

Dear Parents and Carers,

On Friday, 6<sup>th</sup> October, the Eagles will be going to Foxglove Covert Nature Reserve, to spend the day finding out more about their Science topic of the life cycles of plants and animals. They will spend the day outdoors with the rangers from the reserve, and will have the opportunity to investigate both plants and animals, to build on the work we are doing in the classroom.

Children will need to be well prepared to spend the whole day outside, and the weather can be changeable in early October. Children may wear their own warm outdoor clothes, and all children must bring a waterproof with them. We are hoping to have time to investigate the dam system, which involves entering the stream so if your child has a pair of wellies they are comfortable in, they should wear them. Children should also bring a packed lunch.

We will leave school around 9.30am, returning by 3.30pm. The cost of the trip will be a voluntary contribution of £12, which includes transport and the cost of the workshops.

Yours sincerely,

C Monaghan

## **Foxglove Covert Trip**

I give my consent for my child \_\_\_\_\_ to visit Foxglove Covert on Friday 6<sup>th</sup> October 2017.

I enclose a voluntary contribution of £12.00
