13<sup>th</sup> November 2017

Dear Parents & Guardians,

I write to inform you that there has been an instance of Head Lice reported to school today. I would be most grateful if you could be vigilant in checking your child's head and if any lice are found that they are treated accordingly. If your child has long hair it would be advisable to have it tied up during school hours. It is also advisable to regularly wet comb children's hair with a 'nit comb', even if they seem to be free of lice and / or eggs.

Head lice treatment can be obtained free of charge for children from certain pharmacists. The closest one to school is Tesco at Catterick Garrison.

I have attached guidelines taken from the NHS website but if you are in need of further advice regarding the treatment, please contact your Health Visitor or local Chemist.

Many thanks for your co-operation in this matter.

Yours sincerely,

E Bentley  
Admin Officer
