November 2nd 2016

Dear Parents

We have a service families board which can be found at the entry point into school for Dragons and Bears. We are very proud that service children attend our school and the service families board is a key focal point for celebrating the work of their parents and the links we enjoy with the Army, RAF and Navy. We are very keen to have representation from every service child on our board and to achieve this we require a **short piece about your role in the service community and a photo of yourself**. This will be placed next to a photo of your child. I have included a space at the bottom of this letter for your information; however you may prefer to submit your own piece from the computer.

If we could have profile information and photos by **Monday November 14th** it would be greatly appreciated.

Yours sincerely

S Simper
