27th September 2016

Dear Parents,

This term, we are introducing a new spelling programme for Y2 and KS2, which your child has just started to work with. The programme involves 15 - 20 minutes spelling practice a day in school, focusing on learning the rules around spelling patterns to help us to meet the National Curriculum statutory requirements for spelling for each year group. To begin with, your child may not be placed in their actual year group but at a level compatible with their current spelling knowledge.

Each child has a log book in which to record their spellings, and any spellings which they need to continue to practice. Each week they will have a set of 6 (+) words to learn at home.

Because we have a mix of year groups in our class, not all children will work at the same speed, or have their spelling test on the same day. However, your child should practise the spellings in their log book each night for 10 – 15 minutes to help support the work we are doing in class. You can also help by working with your child to find further words which have the same spelling rule. These can be recorded in the log book, too.

Please can you make sure that your child has their spelling log book in school each day, so that it can be used both in class and at home. If you have any further questions or would like to find out more about the scheme we are using, please do not hesitate to ask.

Thank you for your co-operation.

Yours sincerely,

Mrs C Monaghan
