

## Parental Consent Form

The school wishes to encourage pupils to protect themselves from the sun.

One way of doing this is to use sunscreen at the appropriate time. You are asked to sign this form to show that you have received the letter about the school's approach to sun safety and support the school's policy.

Not all children are at equal risk of sunburn. If your child is at risk and you wish him/her to use a sunscreen at school, please indicate this below. You are asked to say whether you will provide a sunscreen.

**Reception Parents Only.** The school policy states that whenever possible teachers will supervise the application of sunscreen. Sometimes it may be necessary for teachers or support staff to help children apply the sunscreen. Please indicate below whether you are happy for approved teaching or support staff to do this.

If your child has any allergies or skin sensitivities you may want to check with your GP before providing a sunscreen. The school will inform you if your child has any adverse reaction that may be due to the sunscreen.
