World Book Day

In Dragons the children were reading the books that they had brought into school to one another and they wrote reviews about them too. Some of the books were read out to the whole class.

Eagles were focusing on a book called The Sea Monster. The children made adaptations of it and designed their own front covers.

As so many children were disappointed they were unable to take part in the World Book Day because of the weather we will looking into doing it with everyone on another date.
