An Exciting Opportunity!

For children aged 10 and over there is an excellent opportunity to do something great for the local community. This is through the 'Lifestyle Challenge' which is organised by North Yorkshire Police. It sounds like a great project for the older children to take part in. It would be great if some of our children decided to take part! If you want more information, please follow this link:

Well Done Children!

As I explained in last week's newsletter, children across school would be taking part in a range of assessments through this week and the following weeks. Having spoken to the other teachers and seen children in action, I have been really impressed with the resilience and perseverance they have shown, even when some of the questions have been tricky! The children's concentration has been super and they have endeavoured to give of their very best – you can't ask for more than that!

Well done everyone!

COLLECTIVE WORSHIP

We thought this week about what it means about having the courage to trust in God through the story of Jonah who at first didn't want to do what God commanded but then realised he needed to find the courage to do what was right.

A Royal Wedding Feast

Thank you to Mrs Jack and Mrs MacIntosh for a fabulous Royal Wedding meal on Wednesday.

It certainly was fit for royalty and we all thoroughly enjoyed it! Our school dinners are always lovely, the hall and corridors are always filled with delicious smells as the kitchen is busy preparing school lunches! Why not give a school dinner a try if you are currently on packed lunch?

Sunny Weather

As we have been blessed with lovely weather, please ensure your child has applied suncream before coming to school, especially to their arms, legs, face, ears and neck. Also it would be great if children can bring in a water bottle and a sun hat. Please be assured that we do encourage children to actively seek shade, especially at lunchtime and when doing PE outside. It was great to see lots of children in Dragons showing me their caps and water bottles the morning after I'd spoken to them about it in assembly. Well done Dragons for taking the message home and acting upon it!
