18th July 2018

Dear Parents and Carers,

It is with regret that I'm writing to inform you that the cost of school meals at our school will increase from September 2018.

Prices have not risen since 2010 but now North Yorkshire County Caterers have advised us that with the introduction of the National Living Wage, and the increased cost of food, our dinners will rise from £2.10 to £2.70. I understand that this is a large increase but I'm sure you'll appreciate that food bills have gone up hugely over the last 8 years. In order to make this increase to you as small as possible, school is subsidising each meal otherwise the cost to you would be over £3. We believe that £2.70 is still very good value for the nutritious meals our cook provides.

To make our school meals more attractive, we are inducing from September, a choice of egg, cheese or tuna bagettes with vegetable sticks as well as jacket potatoes. Attached is the Autumn term lunch menu. As always we offer a jacket potato alternative. Please go through the menu with your child(ren) and let me know, **by Wednesday 5th September**, if they would like a jacket potato on any particular day and their choice of filling (tuna, cheese, beans).

Although some of the meals are the same as the Summer term, please do not assume that your child will automatically be served a jacket potato if that is what they have had this term. We need to be notified by parents as some children are requesting a jacket potato without parents being aware of this.

If we do not hear from you, your child(ren) will be served whatever the menu is for that day.

Yours sincerely

Mrs B. Stanley
Acting Headteacher
