Our Pupils of the Week are:

**Kaci and Jacquelin**

### Writers of the week

Congratulations

Olivia

for your writing this week

### Handwriters of the week

Congratulations James and  
Isobel for your beautiful  
handwriting!

### Run a Mile

As you are aware, we are encouraged to be active and adopt a healthy lifestyle. We talk to the children about the choices they make about their lifestyle.

Being active young, helps people continue a healthy lifestyle into adulthood. Research has proved that exercise is also really good for improving mental health.

Being active also helps concentration. Bearing all this in mind, school has decided that children are going to be encouraged to run a mile a day. At a given point each day, children will be encouraged to run for 15 minutes. Some children won't manage a mile in this time and some will do more - that is fine. We are going to encourage children to measure how far they have run and hopefully after a few sessions they will be able to run further. It's all about children improving on their personal bests.

We will be looking at how far they have run over time and putting it into context e.g. running the distance to Newcastle, London or even abroad!

Please can you ensure children have a pair of suitable PE shoes in school each day for them to change into.

I warmly welcome everyone back from their summer breaks ready to start a fun filled, action packed term, learning lots of exciting new skills. It was lovely to see everyone looking so smart on Wednesday morning. We are very pleased to welcome our new EYFS starters. I wish them every success at the start of their school journey. I would also like to welcome Regina who has joined us in Eagles - I know the children will make her feel very welcome.

As well as welcoming new children, I warmly welcome Mr Hodgson into the Aiskew Leeming Bar family. Over the summer break Mr Hodgson and I spent time planning together for lots of exciting learning in Eagles. Mr Hodgson will be teaching all the children in school for PE which he is really looking forward to. I am also really pleased to announce that Mrs McKnight has joined the Aiskew Leeming Bar family too. Mrs McKnight has worked with the children for a few days in the summer term - we are so pleased to have her officially join our team as a teaching assistant.

### COLLECTIVE WORSHIP

This week we have been learning about the Jewish festival of Rosh Hashanah.

### Dedication Service Invitation

You are warmly welcome to join us at our dedication service on Friday 14th Sept at 9am in the school hall. Children will be doing some readings and prayers.

### Harvest Notice

An advance notice about our harvest collection. As in previous years, we will be collecting donations for the Hambleton Food Share. They have asked us to let you know that they cannot take any large boxes of cereals, baked beans or soup due to large stocks of these items. They are also unable to take any fresh produce at this time.

### Thank you Karolina

Karolina presented me with a jar of money that she has collected through the sale of books over the holidays to support school funds.

What a lovely, kind gesture!  
Karolina and I will sit down together and look at how we could best spend the money so that all children can benefit from her kindness.

## *Dates for your Diary - First Half of Autumn Term 2018*
