This week's **Learning Heroes**

are Raf and Lola-Rose

Handwriters of the week

Congratulations
Sophie and Jacquelin
for your beautiful handwriting!

92.7% attendance this week

Every child that had 100% attendance this week has been entered into the Christmas prize raffle

Please ensure your child attends school as much as possible.

COLLECTIVE WORSHIP

We have been continuing to think about what harvest time means to us.

Family Lunch

On Thursday, we welcomed lots of family members into school to share our lunch, including some new faces! It is lovely that so many grownups make the effort to join our school family. A special thanks needs to go to our two amazing cooks who cope so well with preparing all the extra food.

New Governor

Following our Parent Governor nominations, one nomination was submitted therefore Mr Matthew Shenton has been elected to serve on our Governing Board. On behalf of the Governing Board, I wish to congratulate him and welcome him to this exciting role.

Pupil of the Week Certificates

Our Pupils of the Week are:

Charlie and Aaron

Mathlete of the Week

Althea
Well done for
reaching 2107 points

FOALs

FOALs have been working extremely hard securing some fabulous prizes for a grand raffle which will be drawn at our Christmas performance. If any parent would like to donate a prize or think their employer might, please contact Mrs Bentley or one of the FOALs. It's lovely to see so many people working hard to make our school a great place to learn.

Compass Buzz

On Wednesday we supported Compass Buzz by doing a non-uniform day. With the children we looked at what is meant by mental health and how important it is to be aware of our own mental well-being. We looked at 5 steps we can take to improve our mental health. After school, the adults were also trained by Compass Buzz in how to effectively support children's mental well-being.

We raised £30.95 for this worthwhile cause.

Writers of the week

Well Done ALB School

On Thursday, two LA advisers visited school. They talked to governors, staff and children. As part of their visit they spent time in both classes in order to find out about the quality of teaching and learning that happens at school. They were extremely impressed with everything they saw. They commented that children's learning is very well structured so that they know exactly what is expected of them and have the appropriate tools and skills to enable them to get there. Children spoke very clearly about their learning - they were a credit to their grownups! I was extremely proud showing these important visitors around school because they could see all the positive changes that have happened in school over the last few months in order to make our school a great place to learn.

Eagles - PE

In PE this week The Eagles have been trying their hand at organising and running their own games in readiness for becoming playtime leaders. They have also continued training for the forthcoming x-country race. Games in PE were designed to help improve passing and moving skills in football.

THANK YOU

A huge thank you to all the grown-ups who have taken the time to comment on our blogs. It's a great way to find out what has been happening in your child's class each day!
