or use the QR code below  
to access the online survey  
**before Friday 26<sup>th</sup> October**  
when the survey will close.

### THANK YOU

To Mr Hodgson for organising  
the KS2 cross country competition  
at Richmond High School.  
It was a super event. Well done  
to everyone who took part.

### PE blog...

This week the Eagles played  
games to develop their tactics  
when playing football. These  
included the wing game where  
players were encouraged to use  
the side of the pitch to gain extra  
space. Next week we hope to  
play a small football tournament.

### Harvest Festival

Thank you to all the grownups  
who helped walk down to  
St John's church to celebrate our  
harvest festival. I was very proud  
of the children and how well  
they read/sang. We hope you  
enjoyed it! A huge thank you to  
all the food that was donated  
to Hambleton Food Bank.  
It's lovely that we are able  
to support others in need.

Congratulations to Savannah  
for being successful in her karate  
grading. She is now 1 grading  
away from being a black belt -  
wow! We enjoyed celebrating  
with her in assembly when she  
brought in her certificate  
to show everyone.

### Whew, we've had another busy week!

Children in Key Stage 2 have  
been consolidating some maths  
skills using Mathletics this  
week. They've amazed  
themselves with how much  
they have improved with these  
skills and the confidence  
they've gained since  
September. The children have  
earned lots of 'perfect' golden  
bars and research shows that  
children gaining golden  
bars 3 times per activity  
have 'mastered' the skill.  
We've certainly been  
mastering some skills this  
week!!! Don't forget to keep  
accessing Mathletics at home!

### Literacy Advisor

On Thursday, a visitor came into  
school to look at how we teach  
English. She was very pleased with  
our structured approach to  
teaching writing. She thought  
adults had high expectations of  
children and that teachers  
creatively structured and engaged  
children in their learning -  
the tasks set for them captured  
their imaginations!
