### Questionnaire

Since Easter, the current  
leadership has worked relentlessly  
to rapidly improve outcomes for  
all pupils in school. As a school, we  
are very pleased with the journey  
that we have travelled in a very  
short time. If you've read the  
newsletters regularly, read our  
class blogs and followed the school  
on Twitter, you will have learnt  
about the exciting changes we have  
made to teaching and learning  
within school. Last week,  
I interviewed a group of pupils  
to gain their views on school.  
They spoke enthusiastically about  
how their learning has improved  
and could articulate the strategies  
and changes that have had a  
positive effect upon their  
education. They said how much  
they now enjoy school and are  
pleased to be pupils here. It is  
very important that schools seek  
the views of parents and carers  
too so today I'm sending home a  
questionnaire - please fill it out in  
order to let us know how you feel  
we are doing! This questionnaire  
also gives you an opportunity to let  
us know how to improve the  
school still further.

### Writers of the week

Congratulations

Evy-Mai

for your writing this week

*This week's Head

50 Dojos – Maison

PE Player of  
the Week  
is... Joe

### Mathletics

*'Hot off the press' - we came  
30th out of 401 schools!*

It was a privilege to give out 19  
certificates in assembly on  
Thursday!!! That's 66% of the  
school! Althea and Kaci both got  
over 10,000 points. How fabulous  
is this? Thank you to all those  
who contributed.

### More Maths

There's another competition coming  
up next week through Sumdog  
which is another maths website we  
use in school. This one is run against  
other schools in North Yorkshire.  
Let's see if we can get towards  
the top end of the leader board!

### GB Pentathlete

We were really honoured  
to have a visit from Jenna  
Flintoff. She is a former pupil  
and is now a modern  
pentathlete who is on the GB  
team. She explained about the  
sport. You have to swim, run,  
shoot, fence and show jump!  
She showed us her épée and  
her laser pistol. The children  
really had some fabulous  
questions to ask Jenna. What an  
inspiration for our children!
