Goodbye!

I am writing to
inform you that
yesterday, Mrs
Wolstenholme

has decided to leave our school; her last
day was today. We wish her all the best in
the future. She has been a very dedicated
and committed member of staff and I know
the children and parents will miss her very
much. We have secured a high quality,
highly recommended teaching assistant -
Mrs Toni Tate-Williams to work in
Dragons. We look forward to welcoming her
into the school family on 7th January when
we will be doing staff training together.

PE Blog

Both Dragons and Eagles had the
opportunity to do PE this week. All
children tried doing a skipping challenge
using the special skipping ropes with
counters to record the number of skips
they can do in 2 minutes. KS2 pupils also
completed a bunny hop challenge and
updated their PE Passports with these
scores and other sporting achievements
from this term. KS1 children took part in
activities using bean bags to develop their
cycling skills and they also played some
fun parachute games like "cat and
mouse" and "shark!"

hard this term. We all deserve
our Christmas break.

*I wish everyone a very happy
Christmas and New Year.*

Mathletics

Eagles in particular have really
impressed me this week with their
commitment to using Mathletics.

The school managed

16 certificates this week.

Well done!

Some very high scores too.

*I will be running Mathlete of the
Christmas holidays competition.
I will count all the scores children
gain from one minute past
midnight on Monday 24th Dec until
one minute to midnight on Sunday
6th Jan. (The times are dictated by
when Mathletics reset - I don't
expect children playing on it at
midnight!!!) There will be a special
prize for the child who gains the
most points during this time.*

Questionnaire

Thank you to all the people who
took the time to respond to our
recent questionnaire. The results
will be published in the New Year.

Carol Service

It was lovely to finish off this busy, long term with a time of reflection at our Carol Service at school this morning. Thank you to the Elizabeth and Diane from St. John's for attending after we had to change location at short notice.

Thank you to Michelle who came to lead us in reflection and prayers.

Congratulations Mrs Watson

Mrs Watson has found out that she has passed her moderation exam. When children do their KS1 SATs and KS2 SATs, teachers from across the county are asked to visit other schools to check other teachers' assessments through a moderation process. In order to be one of the teachers asked to do this, you have to pass a special exam which Mrs Watson took last week. She found out today that she was successful. Well done Mrs Watson!
