Kind Gifts

We have been blessed this week with 4 large wooden bikes painted with chalkboard paint. 2 are going on the playground and 2 in Acorn's outdoor area. We were also bought a HUGE box of playground chalk which should keep us busy for a while. We were also given some lovely jars for planting seeds in and a number of seed packets to get us started. Thank you Sophie and Charlie's mum. We have also been given some gorgeous wax melts for our new incense burner which we will use as part of our collective worship. We've already got the monitors sorted for the burner and they know that this is now the first thing they turn on when preparing the hall for collective worship so that we can all enjoy the beautiful aromas as we enter the space. Thank you Georgina's mum.

A few changes for next week...

Monday - as normal

Tuesday - Mrs Watson is not in school as she is going to collect the funding/attend a course for our outdoor areas that we hope to turn into a planting space and a forest school. Therefore the school will be having an enrichment day with all of us working together. We are lucky to have a visiting musician coming into school in the morning. Mrs Stanley will be then be working with the school on road safety as part of some additional PSHE for everyone. Y1/2 are covering this as part of their PSHE learning this half term however we felt it was a very important piece of learning for all our children, especially given the concerns of parents regarding the speeding outside of school. The pupils are also going to be planning, writing and learning parts for our harvest festival service. It was the European Day of Languages last week so we will be celebrating this by learning how to greet people in different languages. We will make some greetings signs and these will be added to our display by the pupils' entrance.

Wednesday - Mr Hodgson is attending a maths course. Mrs Stanley and Mrs Watson will have their normal classes for the first half of the morning. Mrs Watson will then be taking Oak Class to cross country and Mrs Stanley will be teaching Acorn Class. Acorn Class will not be doing PE today.

Thursday - as normal

Friday - as normal but all children will be doing PE at some point therefore every child needs their PE kit.

Rugby

Although the weather was dreadful on Tuesday, Oak Class still managed to have a really good time at the rugby event. Mr Hodgson was really impressed with everyone. Well done children! In Oak Class, they are also taking part in a bit of a sweepstake with the countries in the rugby world cup. 20 countries are taking part. All the children have been given a country; Mr Hodgson and Mrs McKnight got to share one - and - they got England!

Thank you to everyone who attended the celebration assembly - we hope you enjoyed it!

The Cycle Race

We had a lovely afternoon on Wednesday watching the cycling. What made it special was that we saw nearly ever country represent in our school on a bike, including Ghana with whom we have links with too! We also enjoyed waving at the helicopter and there was a brief clip of us on the TV. The RAF also seemed to be very busy so we enjoyed watching the planes too!

Rev Simon and Michelle

Rev Simon and Michelle took our collective worship on Wednesday. Rev Simon taught the children about the Lord's Prayer and what is meant by 'give us today our daily bread'. This fitted beautifully with Oak Class's learning in RE.

The Spelling Shed

Children in Oak Class had a record week with their spelling results. They have said some really great things about our new learning platform 'Spelling Shed' and pupils said it was effective in helping them learn their spellings. Well done everyone. Keep playing it! It will be rolled out to Acorn Class very soon.

Healthy Snack

Don't forget apples will be on sale next week by the Healthy School Team for Oak Class - 20p each.
