Music Service

Mrs Evans who represents the
Music Service came into school
on Monday. She brought in lots of
instruments for children to try.
Some children were naturals and
got great sounds out of the flute,
trumpet and violin!

The Music Service offers many
different instruments and is
great value. Children should have
brought home a purple flyer
about the service. Mrs Bentley
has emailed out a letter outlining
cost and remissions. School have
2 cellos which children can
borrow for free if anyone wants
cello lessons! Children benefit so
much from playing a musical
instrument - it supports their
learning and helps them develop
socially. Please see Mrs Stanley
for further information.

Planting Project

Mrs Watson went on a course
this week which included receiving
a grant for £2000 so that we can
develop our outdoor area in the
Acorn's garden. We plan to have
raised beds between the tall
green fence and the EYFS shed
where we will grow our own
vegetables. With these, and our
beautiful apple trees, we certainly
will be a healthy school!

Mrs Jack has agreed to use our
produce in her cooking.

P.E. Next Week

Next week, all the children
from both classes will be doing
P.E on Friday afternoon.
Please make sure they have
their P.E. kit in school.

Healthy Schools

The Healthy School team have been busy selling apples
and carrots this week. Surprisingly, the carrots went down
extremely well! Apples will be on sale next week
at 20p and carrots at 10p each.

Road Safety

We certainly understand how
to keep ourselves safe when
crossing the road following our
road safety session, using our
new PSHE 1Decision resource.
Please ask the children in Y1-Y6
to tell you the difference between
a zebra, pelican, puffin and
toucan crossing! Their challenge
is to see if they can find any of
these when out and about.
We also learnt about the bumpy
paving near a crossing to assist
a blind/visually impaired person,
as well as feeling for the spinning
stick under the button on a pelican
crossing which helps people who
are both blind and deaf. Thank
you Junior Road Safety Officers
for organising a poster
competition.

Cross Country

KS2 took part in a cross-country competition on Tuesday. The daily mile certainly has paid off because children found it so much easier this year. We were very proud of children. Joe managed to come 5th out of all the year 5 boys who attended. This means he has secured a place in the next round.

The competition is incredibly stiff and the year 5 and 6 boys races are extremely fast! Joe actually was out in first place for quite a bit of the race. To secure 5th is a real achievement - we weren't surprised because Joe has always put his all into the daily mile every day.

FOALS

Final total on smarties tube 20p challenge was £142.80. A huge thank you to everyone who contributed and to FOALS who organised it and counted all the 20p coins! I wonder if one of the children can work out how many coins they had to count. 10 Dojos for the first person to give Mrs Stanley the answer AND be able to explain how they worked it out!

SIAMS Inspection

As you will have read yesterday, we are having our SIAMS inspection on Wednesday. The inspector will probably come out onto the playground with Mrs Stanley at 8:45am and will want to speak to parents/carers.
