8<sup>th</sup> November, 2019

Dear Parents/Carers

As part of the current science topic in Oak Class, we are looking at teeth and I would like to do an investigation into how we keep our teeth healthy. As part of the lesson, next Thursday, I would like children to bring in their toothbrush and toothpaste so we can practise cleaning our teeth. I would also like to get them to use a disclosing tablet. These are harmless small tablets you chew after cleaning your teeth which leaves a coloured dye on the areas which have a build up of plaque. It will enable children to see whereabouts, if any, their brushing is less effective.

If you have any questions or would prefer your child not to take part in the investigation please contact school before Thursday 14<sup>th</sup> November.

Remember – toothbrush and toothpaste next Thursday please!

Thank you.

Mr Hodgson  
Oak Class Teacher
