Dear Parents/Carers

Jen, from New Life Baptist Church, has invited the whole school to her 'Christmas Experience' at the church in Northallerton. The programme consists of children going around the building learning about the different aspects of the Christian story of Christmas. Each area will allow the children to think about the different aspects of the Christmas story in a fun and interactive way. This will take place on Monday 2nd December. We are going in the morning and will be back in time for lunch. As well as learning about Christmas, it also links really well with learning in RE from last year for Oak Class because they found out all about different places of worship in Northallerton. It will be an excellent opportunity for them to explore a church building that is not Church of England.

There is no cost for the event however we are asking for a voluntary contribution of £2 to help cover the cost of the bus. Please see below.

Kind regards
