Dear Parents/Carers

I would like to reassure you that we are doing everything possible to keep your child safe at school.

We have spoken to the children about hygiene and have demonstrated good practice. We are doing additional cleaning during break times and lunchtime. Children are constantly reminded and supervised with handwashing.

We are limiting visitors into school and unfortunately we are unable to go on our 2 church visits next week and we are also going to have to cancel our Easter Service at St. John's. After seeking advice from the swimming pool, we are still planning to swim on Friday unless advice changes. At present, we are still planning to go to Carlton Lodge in May as it is still a little way off but we are postponing the parents' meeting about it until after Easter. Obviously, we will be seeking guidance nearer the time.

Please can we reiterate that if you or your child develops a new persistent cough or high temperature of 37.8 degrees the whole family should go into self-isolation for 14 days.

Please can all parents log on to the Aiskew, Leeming Bar CE Primary School group page on Facebook. We are investigating online learning opportunities we will use if we sadly have to close. More details to follow.

Yours sincerely

A handwritten signature in black ink that reads "B Stanley". The signature is written in a cursive style.
