20<sup>th</sup> April 2020

Dear Parents/Carers,

Welcome back to the Summer Term. I hope everyone had a restful Easter and that you are all keeping well. Despite everything that is going on, it is nice that the weather is on our side and we can enjoy the sunshine.

Staff are really looking forward to working with the children again, starting tomorrow at 9am. Children's engagement and participation was really good before the Easter holidays, staff hope this can continue. Staff are setting work which is as close as possible to what the children would be learning if we were in school therefore it is really important that your child tries to do each activity. We understand that due to family/work commitments it's not always possible to complete the activity at the scheduled time however it is important that it is done at some point. If it is completed at a different time, there may be a delay in staff marking the work and giving feedback. Staff will also try as best as possible to get a balance between online activities and learning that can be done on paper.

A worry monster activity has been included for children on Seesaw this week. If children have a worry at any point, they can click on this activity and write/record/draw their worry. It will only be staff that can see it, not other children. It is really important that we look after everyone's well-being at this difficult time. I've been doing some reading over the holidays about ways to keep a positive state of mind and improve well-being in these unprecedented times. Having a routine and structure to the day was one of the things that came through, another reason why staff have worked hard to provide a daily routine as similar as possible as to a normal school day.

Stay safe.

Kind regards

A handwritten signature in black ink that reads "B Stanley". The signature is written in a cursive style with a large, flowing 'S'.
