Dear Parents/Carers,

In light of the need for children to be going online to access learning, Thinkuknow (who is the education programme from NCA-CEOP, a UK organisation which protects children both online and offline and school's go to source for up to date information), has produced the attached help sheets to do at home. The 4-5 sheet is for our EYFS children, the 5-7 for Y1/2 and 8-10 for Oak Class. It would be great if over the Easter break you do have the time to sit down with your child and go through this sheet and do the activities.

It shouldn't take long! After Easter, they have said that more activities will be released which we will set as some of our online learning. There is lots of other useful information for parents / carers on the Thinkuknow website too. It's worth having a look! <https://www.thinkuknow.co.uk/parents>

Kind regards

Bethany Stanley
