Rooted in love and growing together to become lifelong learners!

Little Shoots

There has been a lot of excitement in Acorn Class because more and more little shoots are appearing in the vegetable plots following Michelle's planting session with the pupils a couple of weeks ago. Our EYFS children have been diligently watering them each day. What will we end up with? Please watch this space!

Celebration

We are thrilled to announce that we now have the Silver Healthy Schools Award. This has been awarded to us in recognition of what we do encourage pupils with being active - thank you Mr Hodgson for all the exciting sporting events/initiatives you organise and for staff well-being.

We're going on a Poetry Hunt

On Tuesday, Oak Class had a fantastic treat. School managed to get a ticket to an online event with Michael Rosen - the poet. He was amazing. Oak Class loved watching him perform a selection of poems - he had them in stitches quite a few times and they had great fun joining in with some of his recitals.

Acorn Class Talent Contest

Acorn Class have been very excited about preparing for a talent contest today. They have been working on a series of skills. They seem to have taken this event extremely seriously - well done everyone for your great attitudes.

School Uniform - cut-off date for guaranteed delivery

The cut-off date for guaranteed delivery will once again be 29th July, if they have parents' online orders by midnight on Thursday 29th July 2021, we guarantee to deliver their order before schools start in September.

Transition dates – Bedale High School

Bedale High School have been looking at the summer term ahead, and have decided to extend their transition this year. They are inviting our Year 6 students to visit them for 5 days: **Monday 12th July - Friday 16th July**. They asked us to share this information with you, and they will shortly be forwarding a letter for Year 6 families with some additional information about these transition arrangements.

Collective Worship

We have continued to receive weekly online assemblies from Jen and her team through Churches Together, Northallerton and Rev'd Simon at St. Gregory's Church in Bedale, we share them with the children in their classroom bubbles. In our bubbles, we have also been thinking about friendship.
